Instructor instructions for LTI integration from Cloud Range into Blackboard:

- 1. All instructions are located in the Faculty Documents course in the Cloud Range LMS
- 2. Contact Nina Amey to create course and course license
- 3. Add labs to the course
 - a. Follow directions outlined in the "Adding Labs to Courses" file
- 4. Adding course labs into Blackboard
 - a. Within Blackboard choose "Details and Actions", choose "Books and Tools".

b. Then click on "Browse all Course Tools".

c. Then Choose "Cloud Range"
