Human Protocols
Viewing Approved Protocols

TOPAZ | Elements

1. Click Human Protocols on the Compliance menu.

2. Click Open Approved Protocol from the Protocols menu items.

3. Click in the upper right corner to filter the protocols on the grid.

4. Click Create New Filter and choose a filter option form the drop-down list. Either populate this field or choose a secondary text box or drop-down item.

5. Click from the following options on the filter toolbar:
   - »   Apply Filter to Grid
   - »   Add Conditions to Filter
   - »   Delete Filters
   - »   Delete Filter Conditions
   - »   Save Filter

6. Click on the appropriate Approved Protocol.
   - » Print the Approved Protocol by clicking on the checkbox to the left of the protocol grid.
   - » Click on Select Reports   and choose Protocol Detail Report.
